

SUN VALLEY SCHOOL

ANNUAL FUND

WELCOME TO THE 2022 ANNUAL FUND!

We are **ALL IN** for every Sun Valley student, every year.

Every dollar contributed funds essential parts of Sun Valley like our environmental education, enrichment classes, lunchtime clubs, Covid safety supplies, community events, an additional full-time instructional aide, and much-needed teacher and student supplies so that **every** Sun Valley super star can thrive.

Please consider donating \$750 per child to help cover these costs. Each family's circumstances are unique, please give what you can to support our wonderful students and school. **Every gift makes a difference** - regardless of the amount. **Our goal is 100% family participation.**

Our students need you to help provide a truly top-notch education this year.

Every participant will receive this year's Annual Fund magnet to proudly display your support for Sun Valley, and the first 100 donors will receive an insulated coffee tumbler - perfect for those early morning outings and rides to school.

And don't forget about corporate matching - many employers will double or even triple your gift. Ask your employer today!

Please contact pledge@sunvalleypto.org with any questions.

Please fill out the form below or go online to www.mygiving.net/donate/sunvalley22 to make your donation. Your contribution is confidential and tax-deductible.
